Ancillary staff in UK Higher Education

Do you work in a Higher Education Institution in the UK?

Do you work in a **cleaning**, **catering**, or **security** role?

If so, we would love to hear from you.

Professor Marie-Pierre Moreau and Lucie Wheeler (ARU) are conducting research on ancillary staff in Higher Education Institutions in the UK and are looking for individuals within those roles to participate in a one-to-one interview to share your experiences.

The interviews will be conducted online or face-to-face, at a time convenient to you, and the interview will last around 20 minutes (we will tailor it based on your availability).

If you are interested in participating, please contact either marie-pierre.moreau@aru.ac.uk or lucie.wheeler@aru.ac.uk for more information.

This research is funded by the Society for Research into Higher Education (SRHE).
